Who is the Lexington County Choral Society (LCCS) ?

LCCS was formed in 1996 and is in its 28th season. Over the years we have sung to more than 31,000 people in 80+ performances. We have also presented more than \$25,000 in vocal and piano scholarships to high school students in Lexington County and adjoining counties. We have also given performing opportunities to several dozen elementary, middle and high school choirs and instrumental ensembles in the Midlands. The golf tournament is one of our major fundraisers that helps to continue our work in the arts both now and in the future.
